COVID-19 PROTOCOL IN FORCE IN COTE D'IVOIRE

All passengers departing from or going to Abidjan must bring a negative COVID 19 test certificate dated no more than 03 days from the date of the sample.

Travelers departing from Abidjan will now pay the sum of 25,000 FCFA for the COVID-19 test (RT-PCR screening test) in accordance with the decision taken by the heads of state and government of the UEMOA zone. Payment will be made via the online platform at **https://deplacement-aerien.gouv.ci/#/home**

All departing, arriving and in transit passengers must complete the travel declaration form available online at **https://deplacement-aerien.gouv.ci/#/home**, print it out and present it at check-in. It is recommended that each passenger have their own pen.

The body temperature of all passengers will be systematically checked.

If the temperature is above 38 ° C, the passenger will be screened and confined while the results are obtained.

If the test result is negative, the passenger will have to self-confine for 14 days under the supervision of the authorities to confirm his good health.

If the test result is positive, the passenger will be taken to the infectious disease department.

For passengers departing from Abidjan, COVID-19 certificates considered valid are only those issued by centers approved by the Ministry of Health and Public Hygiene. Among others: the center of Cocody Saint Jean, the center of Marcory, the center of Yopougon BAE, the center of Treichville (Department of Infectious Diseases) and the center of the Plateau, Sorbonne.

The Saint Jean COVID-19 sampling center is now open every Sunday from 8 a.m. to 10 a.m., exclusively to travelers whose flight is scheduled for a Tuesday.

It is recommended that any passenger wishing to obtain their COVID-19 test result within 48 hours, to go every day before 10:00 a.m. GMT to the approved sampling centers intended for travelers.
